CARE INSTRUCTIONS

Use mild detergent and soft damp cloth

T-BAR

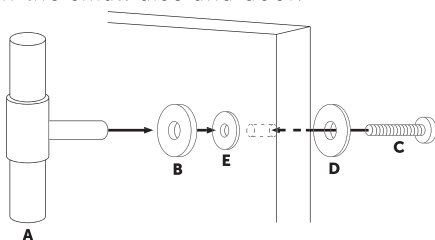

Contents

- 1x T-bar (A)
- 1x Small disc (B)
- 1x M5 x 30 mm screw* (C)
- 1x Metal washer (D)
- 1x Silicon washer (E)

*Fits doors & drawers of max 20 mm.

Installation

1. Drill hole.
2. Attach T-bar and small disc to door from the back with screw and metal washer. Place the silicon washer between the small disc and door.

3. For extra strong fit; hold the screw still with a screwdriver, and tighten the handle by screwing the T-bar by hand.
