BUSTER BULB

The World's first designer LED bulb. This bulb consumes just 1/20th of the energy of traditional bulbs with a life span of 30,000 hours. Available in CRYSTAL, GOLD or SMOKED finish. The resin light pipe at the centre of the bulb is where all the magic happens, allowing the bulb to create a subtle ambient light whilst at the same time throw focused spot light onto tables & surfaces below. The bulb fits in any E27 screw light fitting, but looks especially great when teamed up with our HEAVY METAL or HOOKED lighting ranges.

CARE INSTRUCTIONS

Wipe with damp cloth with no loose hairs, avoid using any chemicals. Please note all finishes are prone to aging.

* Official data doc can be supplied upon request.

PLEASE NOTE

The non-dimmable LED BUSTER BULB is only compatible with on/off switches.

If you are looking to use this product in conjunction with a smart or home automation system, please refer to the system manufactures guidance to check compatibility. Our bulbs are mains operated at 240VAC. To avoid disappointment, please ensure a compatible smart module is fitted before purchase.
