

TRIP WALL

Exclusive appearance

DESIGN BY US

SMALL, BUT MIGHTY

The TRIP Wall lamp spreads a soft atmosphere with the light fanning out elegantly. The sculptural form, featuring polished marble and mouth-blown glass, gives Trip Wall an exceptionally exclusive appearance.

Every detail in our new interpretation of the wall mounted LED lamp is considered carefully. This indoor wall lamp presents clean lines and simple design in beautiful and classic materials. The Trip wall base is a half-circle of marble, upon which a glossy glass is mounted.

Mount it on the wall, and you can decide where you want the light opening to be. You can create your own wall art with the lamp. Use it as cozy lighting in the kitchen, hallway, stairwell, bedroom or ...

PRODUCT FACTS

Description

The Trip Wall Lamp is available in five types of marble: Carrara, Dark Emperador, Moss, Ash, and Burgundy. The marble is cut into a half-circle, creating a fan-like light effect from the lamp. The glass shade is mouth-blown and comes in glossy white, amber, and grey. The lamp is finished with a satin brass button that holds the base and glass together. It's possible to purchase additional shades for the Trip Wall Lamp. Extra shades are available in glossy white, matte white, amber, grey, and rose.

Designer / Year Of Design

Design by Us / 2024

Material

Base in polished marble and anodised aluminium.
Shade in mouth-blown and painted glass.

Construction

The lamp comes with a base and is ready for mounting on top of an outlet. A black textile cord with a switch can be purchased as an add-on if you need to plug in the lamp. The LED unit holds the glass in place when the top knob is screwed in place. The LED unit is replaceable.

Maintenance

Use a dry cloth to dust of the lamp. For further cleaning use a soft non-abrasive cloth with warm water - wipe with a clean soft lintfree cloth.

Classification

Class II

Ip rating

IP20
