MIIRA 6 CIRCULAR Dark Bronze/Opal White

Design: Sofie Refer, 2020. EU-model.

Miira 6 Circular in mouth-blown Opal White glass and Dark Bronze finish. Incl. Ceiling plate.

The significant details of Miira are the fine curves and thin neck that gives a graceful appearance. The Miira Collection features mouth-blown glass globes in both Opal White and Optic Clear. The Optic glass has slight variances due to the handmade process, which makes each piece unique.

Miira collection is designed with the chandelier as a centre and expands into a complete series of lights, manufactured in the highest quality.

Miira 6 Circular, comprising six mouth-blown glass domes, has a diameter of 80 cm, making it ideal to place above a dining table or sofa.
