LIILA 12 Optic

Design: Sofie Refer, 2018. EU-model.

Liila 12 in mouth-blown Optic Clear glass and Nordic Gold finish.

Liila Collection has a Nordic simplistic yet sensuous look due to the fine reflections in the glass and metal. The mouth blown glass is elegantly framed by the metal disc in soft metallic finish.

While the version in Optic Clear glass creates sparkeling reflections, the version in Opal White glass completes the minimalistic Nordic look.

Liila 12 is a unique interpretation of the classic chandelier - a sensuous lighting sculpture that reflects the abundance of nature.
