

Asteria Plus pendant lamp
Specification sheet

Asteria Plus

Pendant lamp

The Asteria Plus takes the classic Asteria pendant to new heights by offering adjustable light temperature that allows you to match the light to the specific setting. The Asteria Plus pendant is compatible with track lighting and is dimmable via an external dimmer, making it perfect for the office, private dining settings or kitchen areas. It combines functionality and versatility, catering to the needs of spaces where adaptability and style are of utmost importance.

The Asteria Plus pendant's sleek appearance and clean lines represent minimalistic beauty, while a built-in LED panel infuses the space with soft and timeless illumination. With a hidden button by the lamp's top, you can effortlessly adjust the light temperature to create the perfect atmosphere, whether it be for focused work or a relaxed ambience. The lamp is dimmable with the use of an external dimmer.

Asteria Plus is available in a variety of different colours in medium and mini and features a brass top that can easily be interchanged with steel or black, providing endless design possibilities that align with your personal style.
